## Intro

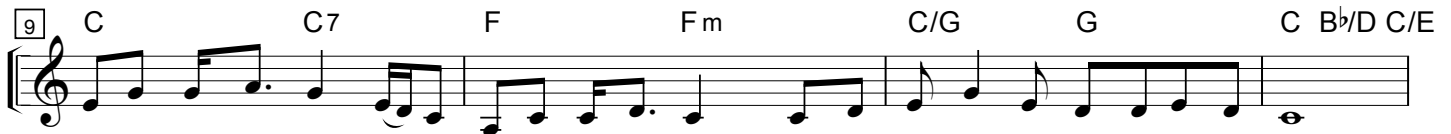

## Verse

生命的美麗，盡在純真笑容裡；受造真奇妙，彰顯天父的榮耀。

You are made by God; I can see it in your smiles. Won-der-ful-ly made, His glo-ry through your face.

深深地相信，你是獨特的唯一；因為有你，祝福之門開啟。

In this whole wide world, there is no one else like you. You're the win-dow His bless-ings flow through.

## Chorus

山有多麼高，愛就能有多麼深；路有多麼長，愛就能到多麼遠。

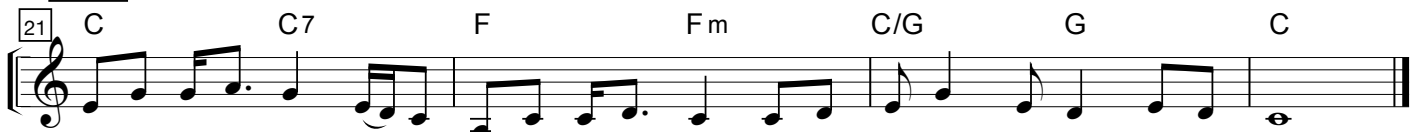

Moun-tains are so high, yet His love is deep-er still. Jour-neys are so long, yet His love goes fur-ther still.

春夏和秋冬，堅持陪伴不放手；讓我們一起去愛像天使心。

Sea-sons come and go. He will hold you, won't let go. Let us love one an-oth-er with An-gel's heart.

## Coda

輕輕告訴你，你是獨特的唯一，永遠愛你，寶貝，好愛你。

I will say a-gain, there is no one else like you. How I love you, ba-by, I love you.
