Let Your Glory Fill All the Earth

Lift up my voice, I want to praise You
 Raise my hands, I want to worship You
 Let Your glory fill all the earth

Renew my soul, thirst for Your Spirit
 Lay down myself, I will glorify You
 Hallelujah, Hallelujah

Among nations, I'll give thanks
 Among peoples, I'll sing praise
 For great is Your love
 For great is Your faithfulness

Among nations, I'll give thanks
 Among peoples, I'll sing praise
 Lord, may You be honored
 Let Your glory fill all the earth
