Set Free from Brokenness

Lord, how I long for more of You
 Come and fill up my thirsty heart
 Lord, how I long for more of You
 Take my weakness, help me to stand

This day I will meet with You
 And I can't let my life stay still
 Willing to face myself
 I just want to be renewed

Set free from brokenness
 I receive healing and true peace
 The covenant of blood
 Takes my shame and brings back my joy

Set free from brokenness
 I dwell again in Your great love
 Your endless mercy and grace
 Guide and bless me day by day
