The Fountain of My Life

My heart longs for You as I seek Your face
To give You all my worship and praises
You've made the tearful valley a joyous place
Overflowing with blessings and glory

Oh Jesus, draw me near You are the fountain of my life Oh Jesus, pour over me Immerse me in Your living water Only Your presence is my true delight At Your right hand are the eternal blessings I count nothing as good apart from You Only You are the fountain of my life

Lord, let the river flow Lord, break all binding chains Lord, set my spirit free Lead me into God's promise land Your presence covers me Your power rescues me Your Spirit gives new life Fresh anointing falling on me
